

Wedding Package | A la Carte

Some advice please:

This is ideal for the bride that is planning their own wedding but would like some guidance along the way. I can help answer any questions, handle any or all of your vendor coordination, provide trusted vendor referrals. Many brides have chosen to meet with a coordinator every few months to get advice on how things are moving along. This is a great way to get started with the planning process. This package is offered by the hour.
